When you **work with us,** you gain access to a stellar network of creative collaborators.

Our family of tried and tested professionals includes designers, web developers, copywriters, PR consultants, SEO specialists, photographers, videographers and events organisers.

We develop brand concepts and integrated marketing campaigns

that help businesses to define the future of their sectors and maximise their profiles. We create successful media strategies and implement marketing techniques that combine craft and technology.

At the heart of what we do is a love of innovation and creativity, peerless attention to detail and a strong belief in delivering memorable campaigns that get results. Our clients include high-end real estate agencies, cutting-edge property developers and forward-looking travel, family and lifestyle brands.

We understand the difference between global audiences and local sensitivities. This ensures our campaigns are highly targeted, impactful and effective in markets across the world.

FIG is based in

BARCELONA,

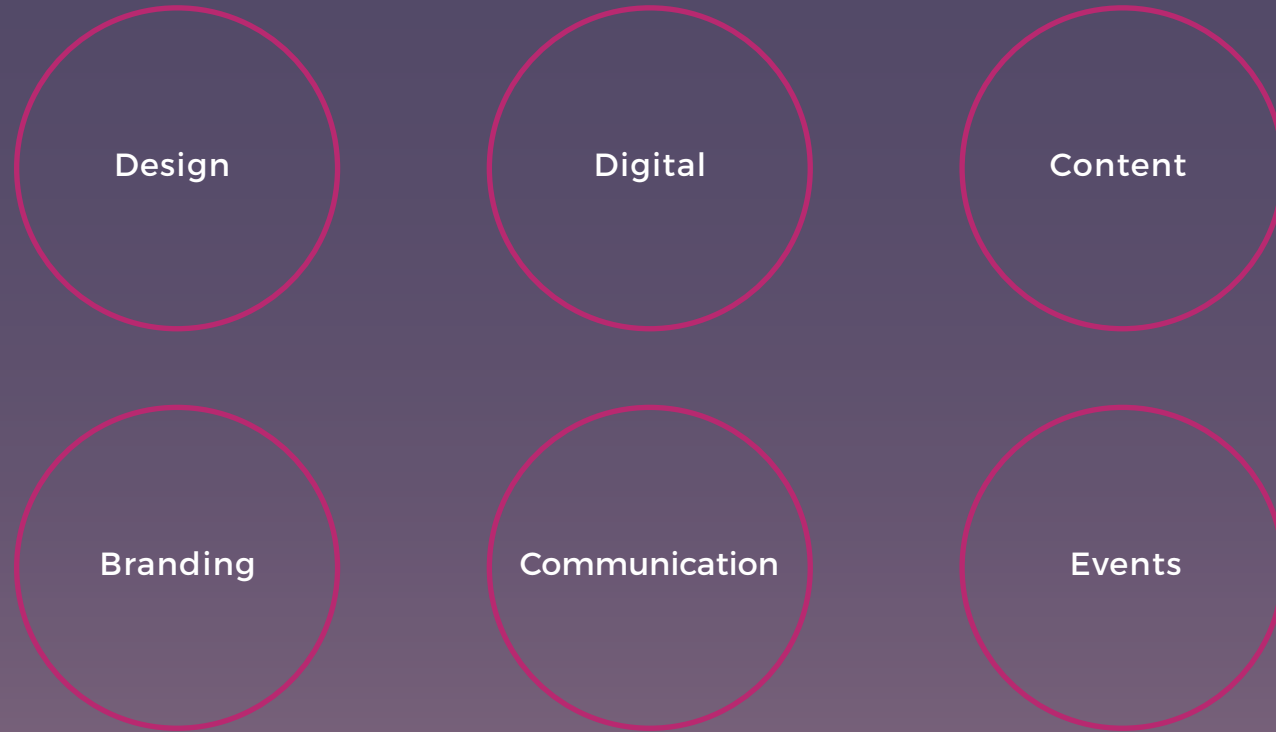

a progressive city that constantly reinvents itself and is renowned globally for challenging the way people think and feel. Our ethos reflects the city's growing creative legacy.

Digital

We take care of everything from the overall strategy, **planning and design** to the set up and daily management.

Our specialist SEO team works to achieve Page One Google ranking across different languages.

Other digital services include quantitative competitor analysis, link building, real-time bidding, remarketing and multilingual Pay-Per-Click and HTML campaigns.

We carry out effective multilingual social media campaigns across all platforms to generate conversations and increase brand awareness.

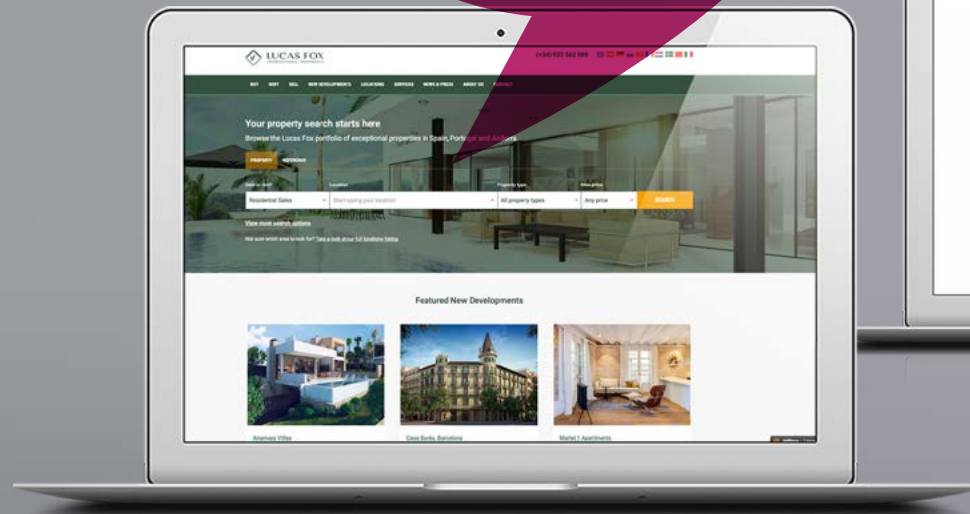

Content

Our content is carefully curated, valuable and relevant to targeted audiences. It engages, raises awareness and educates, but also pushes boundaries and provokes reactions within the context of current social trends.

Our language services go beyond literal translations by taking into account cultural and marketplace characteristics to produce transcriptions that deliver the right message.

Using extensive but targeted printed and digital content and social networks to **establish** Lucas Fox as a trusted source in the world of luxury property in Spain.

Using storytelling and trip-advisor style recommendations to **position** the MumAbroad brand as a leading information resource for the international community in Spain.

Branding

We work closely with our clients to fully understand their needs, identify the essence of their business and goals, and create brands and logos that are

**relevant,
memorable
and impactful.**

Communication

With an extensive network of national and international media contacts and a content team experienced at transforming visions into compelling stories, we deliver bespoke PR and advertising campaigns. We pinpoint relevant editorial opportunities and analyse the competition.

Our press releases and targeted content regularly appear in leading offline and online publications.

Our creative and copywriting teams work together to produce

eye-catching, high-impact

advertising campaigns that reach and engage the desired audience.
